GALA DAY
FRIDAY 6th NOVEMBER 2015 (WEEK 4) - 12:30 to 2:30pm
We will again be using the ticket system this year for purchasing on Gala Day. Instead of paying money at each stall, you will need to purchase tickets from a ticket stall to use instead of money. These tickets will be to the value of 50c each and you will be able to purchase as many tickets as you think you will use. You can buy individual tickets or we will have groups of 10 tickets for $5.00. Students will be able to purchase these tickets in class and before school on the morning of Gala Day and anytime during the Gala Day activities. Be careful not to purchase too many more than you need at a time, as the tickets will be available all day, with no refunds.
Canteen News

GALA DAY
CANTEEN MENU
WILL BE OUT TUESDAY
3RD NOVEMBER
(WEEK 4)
NO LUNCH ORDERS
WILL BE TAKEN ON
GALA DAY!!
MRS THOMSON

Cancieen News

Bandannas are available for sale
for $4.00 each from the front office.
When cancer strikes, your support
can make all the difference.
Please note, these do not replace
school hats.
Our Sun Safe Policy still applies.

SCHOOL PHOTOS—Year 7 Mess Up Photo.
From MSP Photography...
Special groups are now available for purchase
online. All students who appear in the Year 7
Mess Up photo have received an online order
shootkey letter with their photos. If you would
like to view the photo before you order, please call
in to the front office. Online ordering closes
25th October 2015.

Email: msp@nuimage.com.au

On Monday 19th October 2015, C1 and C2 visited
Adelaide University, Waite Campus, Urrbrae. We
arrived at the University and split into three
groups. Ms Hanlin’s group went first to the area
where we learnt about indigenous plants to the
local area. We had a quiz to complete and we
found this session very informative. Ms Longstaff’s
group was first to attend the University lecture
hall. Here we learnt about the role the University
plays in genetically modifying crops so that new
and more productive species of plants and crops
can be developed to help with the sustainability
of food for our world. We also talked about using
indigenous plants to help with this problem
and got to try some of these plants to eat. The bush
tomatoes were disgusting!! Mrs Leach’s group got
to have a guided tour of the greenhouse where
scientific investigations on plants are taking place.
We also got to look at how they harvest crops
with the combine harvester. We rotated groups
throughout the day. It was an amazing day and
a load of fun!!
