Whole School Assembly Award Winners

9th September 2016

Congratulations to our School Choir who performed at the Festival Theatre last Wednesday night!

On Thursday the 8th September our school entered 2 teams into an inter-school Basketball Carnival hosted at Unity College. We entered 1 boys team and 1 girls team. All students played well, with some still learning to master skills and others refining and strategizing on court tactics and manoeuvres. The girls were competitive but were unable to snatch a win on the day. The boys however were unlucky not to win the day missing out by 1 point to North PS in the game against them and winning all their other matches. A great day was had by all with students representing our school well, showing good sportsmanship and teamwork and support for all on the day.

School Choir Congratulations to our School Choir who performed at the Festival Theatre last Wednesday night!
FROM THE PRINCIPAL

Last Wednesday night I had the pleasure of watching our students perform on the big stage at the Festival Theatre as part of the Public Primary Schools Festival of Music.

The Primary Schools Festival of Music, an official state icon, is a public school-based music education program which is a collaboration between DECD and the SAPPS Music Society which gives all SA public primary students the opportunity to perform at a prestigious venue. This is an opportunity that many of our staff had when we were young, and now look back on with fondness all these years later. There is something very special about adding your voice to a choir of 400 other people and filling a 2000 seat venue with melodies and harmonies and rhythms that blend and mix and send shivers down the spines of the audience.

A choir is an excellent metaphor for our school community here. There are times when we all sing as one – the same tune, the same words, the same rhythm. In our school things such as safety, respect and belonging are the “not negotiables” where we all need to be in unison. There are other areas where our classes and students start to contribute different harmonies to add to the beauty of the song. The different things explored in each class, and the diverse interests of individuals add depth to our school. The diverse accents and languages and cultural backgrounds that come together in this place allow people to add different melodies and harmonies to the song. Sometimes we add to the song by listening; sometimes we add to the song by plauding; soloists will step forward at times and take the lead in different areas but the song remains the same.

This coming term we will be seeking to articulate what the “song” in this metaphor sounds like, as we work towards agreement about the values and vision of Murray Bridge South Primary School, and I look forward to hearing your contribution.

2016 MURRAY BRIDGE PAGEANT

If you are interested in being part of a group to help organise, decorate and participate in this year’s float, please leave your details with Karen in the front office so that we can get a group together. While Christmas is still some time away, we don’t want to leave things until the last minute. We will need to find a flatbed truck that we are able to decorate, so if you have contacts who we might be able to approach, that would also be helpful.

PIE DRIVE
All orders and money need to be returned to the front office by Monday 26th September (Week 10). The delivery date is Thursday 20th October (Week 1 Term 4).
