GALA DAY
FRIDAY 4 NOVEMBER 2016 (WEEK 3) - 12:30 to 2:30pm
We will again be using the ticket system this year for purchasing on Gala Day. Instead of paying money at each stall, you will need to purchase tickets from a ticket stall to use instead of money. These tickets will be to the value of 50c each and you will be able to purchase as many tickets as you think you will use. These tickets will be to the value of 50c each and you will be able to purchase as many tickets as you think you will use. Tickets will be available all day, with no refunds.

Leaving Our School?
If you are expecting to leave Murray Bridge South Primary School at the end of this year and not returning in 2017, could you please let your class teacher or the front office staff know.

Please make sure parents speak to class teachers if you intend to take your child home early. Current students of Murray Bridge High School cannot attend Gala Day as they are expected to attend High School on the day.
At the end of last term the school and the state dealt with some very challenging weather, but while this was happening I was fortunate enough to be attending the national conference of the Australian Council of Education Leaders. This was a wonderful opportunity to learn and share and be inspired about the great things that we can achieve when we work together. It concluded with Professor John Hattie, a Melbourne academic globally recognised for his research around what works in schools issuing a challenge: “There are too many plans and strategies in education. We need more dreams.” As educators we get up each morning because we have seen a child’s eyes open wider as they realised that they had done something they didn’t think they could; and we have noticed that flash in their eyes when they knew that they mattered and that someone believed they could do it. As parents I’m sure we can all think of a time when we quietly watched our children doing something that they had never done before. My dream for South School is that because of how we work together as a community, every child will see themselves in new ways; as more than they thought they were, and as someone who has the capacity to change the world. What is your dream for your child? What is your dream for our community? As a school we will be setting a course over the rest of this year and I hope that our dreams will be big enough for our children.
